50th Anniversary Celebration
This is YOUR time to shine!

In 2016, Good Sam will celebrate its 50th anniversary - Camping World too coincidentally!

Both the Good Sam Club and Camping World made their debuts back in 1966, as RV travel captured the imagination of North Americans. To commemorate these 50th anniversary milestones next year, we’re working on some special projects that will not only recount the half-century histories of the Good Sam Club and Camping World but also convey our collective passion for the RV lifestyle.

Longtime RVers – and their offspring – are encouraged to take part in this dual anniversary celebration by sharing RV camping stores, snapshots, and memorabilia from that decade. Email your 1960s RV memories – or those of your parents or grandparents – in 100 words or less, along with scans of your vintage camping photos, to 50years@goodsamclub.com by October 31. If we publish your recollection and related photo, you’ll receive a $25 Camping World certificate.

We realize that our chapter members have a wealth of information and memorabilia so, if you have vintage items in your collection (old patches, vests, chapter flags, etc) email us a picture and show us the item. If we are able to use it in our celebration, we’ll contact you to make arrangements.
